	Exhibit Voice Playback Option	If you would like your exhibit to speak the directions to your visitors please order the digital voice repeater attribute. For this basic price per exhibit the chip based voice recording system, speaker, speaker grill and wiring will be assembled into your exhibit. This option helps greatly with the young, disabled, low vision, illiterate and those who respond better to more interactive presentations. Option offered only with exhibits that we sell prior to shipping them to you.	\$300.00US Per Exhibit	

Terms: 50% down 50% upon delivery in US. Please see terms for foreign sales terms		Subtotal
